

## **Clinical Fellowship Interview - Questions to Ask**

### **Setting/Facility**

- What is the average caseload size?
- Who will be my main point of contact at the school/facility if I have questions?
- What population do you anticipate me working with?
  - What are the typical diagnoses I would see?
- What documentation or IEP system do you use?
  - Will someone be able to show me documentation requirements?
- Will I be billing Medicaid?
  - Is the billing done online or on paper?
- How many full time PT/OT/SLP are on staff?
  - Will there be another PT/OT/SLP on staff available for questions?
- Am I required to see my full caseload my first week or is there ramp up time?
- Will I have my own device for documentation or will I share?
- Are treatment materials provided?
- Will testing kits be available at my school or for checkout?

### **Schedule**

- Discuss start date
- What are the hours?
- What is the policy on working staff/professional development days?
- Be sure to confirm with the hiring manager any days off you had pre-arranged and will need off over the year.

### **Floating and Logistics**

- Will I be floating to more than one school/facility?
  - Do I get paid for drive time and/or mileage?
- What is the dress code?
- Is there any first day training?

### **Benefits**

- What is the PTO (paid time off) policy?
- What is the company policy on continuing education?
- Will I be covered under the company liability policy or do I need to carry my own?
- Are there paid holidays or special holiday pay?
- What health insurance and 401(k) savings plans are offered?

### **Supervision**

- Who will be my CF supervisor and how often will I see them? (if you don't not already have one).
